1. Recorded.

2. Sri V. K. Madhava Menon continued to be in charge of the Department during the period under review.

3. There were 36 Veterinary hospitals, 22 Dispensaries and 12 Stockman stations working during the year. A new hospital was started at Alwaye on 1-2-1954. Altogether 1,45,307 cases were treated and 5275 surgical operations conducted in the year of report.

4. There was acute shortage of qualified Veterinarians for appointment in the Department so that many posts had to be kept vacant. The scales of pay of the Veterinary Surgeons were raised from Rs. 125-175 and Rs. 100-125 to Rs. 175-225 and 125-175 respectively with a view to attract more candidates to take up appointment in the Department. The pay of the Specialists *viz*., the Livestock Development Officer and the Disease Investigation Officer was also raised to Rs. 225-275. The Government were able to secure two seats in the Madras Veterinary College for the students belonging to this State.

5. The work relating to the prevention and control of contagious diseases was attended to by the Research Officer with the assistance of the Veterinary Surgeons and the Disease Investigation Officer. The Research Officer, Veterinary Diagnostic Laboratory concentrated his attention on the detection and eradication of contagious diseases.

6. The Disease Investigation scheme financed by the Indian Council of Agricultural Research has started in June 1953, on the return of the Officer from the Indian Veterinary Research Institute, after training. Work contemplated in the technical programme was taken up.

7. The two Dairy *cum* breeding farms at Ollukara, Trichur and at Kodappanakunnu, Trivandrum continued to function during the period. A fresh stock of 7 Scindhi cows and 9 Scindhi heifers was added to the stock in the Dairy Farm, Kodappanakunnu. During the year, a goat section was also started in the Dairy Farm, Kodappanakunnu with a foundation stock of 12 Jamnapari does and 3 bucks got down from Ettawa.

These schemes were partly financed by the Indian Council of Agricultural Research or the Government of India.

9. With a view to improving the Dairy Industry in the State the Dairy Development Officer was deputed to U. K. for advanced training in Dairy Husbandry under the Colombo Plan.

During the year under review a quantity of six tons of Churn brand mineral mixture was purchased and arrangements were made for sale to the ryots, through the Veterinary hospitals. It is found that there is great demand from the public for this cattle food.

12. In the field of Poultry Development also, satisfactory progress was shown. AWARD

This is an award passed on a petition filed by Messrs. A. Balan and Sankaranarayanan, two workmen employed in the S. V. Cashewnut Factory, Kilikollur, Quilon under Section 33A of the Industrial Disputes Act (Central Act XIV) of 1947 and it is registered as Industrial Dispute No. 5 of 1954. The Managing Partner of S. V. Cashew Factory has filed objection. The petitioners have examined one witness and the Managing Partner has examined one witness and filed Exs. I to IV.

It is alleged in the petition filed by the workers that they were elected on 20-12-1953 as members of the Managing Committee of All Kerala Cashewnut Factory Workers Federation and ever since they were doing trade union activities and after knowing this fact, the Management had enmity towards them and that on 15-1-1954, they were suspended for 4 days on the pretext that they did not attend work in time. This is a violation of provisions of Section 33 of the Act since Industrial Dispute No. 15 of 1951 is pending adjudication and suspension was effected without getting written permission of the Tribunal,

In the objection the management while admitting that they have suspended the workmen for four days without permission of the Tribunal, it is strongly contended that there was serious misconduct on the part of the workmen and to enforce discipline in the factory the workmen had to be punished.

I will consider the merits of punishment meted out to the workmen first. To prove that on 14-1-1954, the workmen had disobeyed the legitimate orders of the management and did not do work in the afternoon Mr. Palppu relies on the deposition of EW1, who was the Factory Manager, and Exs. I—III. The contention of the management is that on 14-1-1954, when Balan, Sankaranarayanan, Ayyan and Pappu who were engaged in a particular section in the Cashew Factory were asked to continue the work in the afternoon, Balan and Sankaranarayanan, the petitioners, along with two others refused to continue the work. When the maistry in charge reported the matter to the Factory Manager he called for explanation and the petitioners refused to submit explanation and the other two workmen submitted explanation which is marked as Ex. III. Ex. II is the notice calling for explanation. The management reported the matter to the Labour Officer on 15-1-1954 and this letter is marked as Ex. IV. EW1 also swears likewise. Eventhough Balan who was examined as WW1 denies the refusal, admits that they did not go for work in the afternoon in time. He says in his deposition

"മണിയടിച്ച് ജോലിക്കു കയറേണ്ട സമയത്ത് എന്റെ കൂട്ടുകാരൻ ചായ കുടിച്ചുകൊണ്ടിരിക്കുകയായിരുന്നു. അയ്യൻ എന്നുപറഞ്ഞ ജോലിക്കാരൻ വരട്ടെ എന്നു പറഞ്ഞു. അയ്യൻ അഞ്ചുമിനിട്ടു കഴിഞ്ഞു വന്നു. അപ്പോഴും ഞങ്ങളും ജോലിക്കായിട്ടു ചെന്നു. ജോലിക്കു വരണ്ട എന്ന് മാനേജർ പറഞ്ഞു."

So it is admitted by Balan as WW1 that he did not go for work in time but went after 5 minutes. I don't know whether he had got a watch at that time. The only excuse according to him is that he was expecting Ayyan who was taking coffee. I condemn this irregularity of the workmen and the lame excuse submitted in justification of that. The workers should be punctual and systematic in duty and loyalty towards work should be the first concern for workmen. In view of this admission on the part of the workmen I overlook the irregular procedure adopted by the management in making enquiry under Standing Orders. I find in my experience that some of the employers especially in the Cashew Industry do not adhere to the procedure laid down in the Standing Orders before taking action against workmen and they also ignore the provision of Industrial Disputes Act also. It is good that such employers remember that the time has passed long ago when workers were considered as chattels, and could be treated as they liked.

Eventhough the employer did not obtain permission, I don't take a serious view of the matter in view of the misconduct of

the workmen and the lightness of the punishment already inflicted. Under the circumstances I dismiss the petition and pass the award.

This comes into effect from the date of publication according to Section 17 of the Industrial Disputes Act.

INTERIM AWARD

In the above dispute, the President of the High Range Estate Employees' Association (which will be mentioned as Association hereinafter) has filed a petition on 27-1-1955 for an interim relief. Notice was ordered and the management as well as the Thiru-Cochi Thottam Thozhilali Union (which will be mentioned as Union) were called upon to file objection on

31-1-1955 and it was posted for evidence and argument to 1-2-1955. The Management as well as the Union filed statement of objection on 10-2-1955 and 3-2-1955 respectively. On behalf of the Association two witnesses were examined and on behalf of the Union two witnesses were examined. The petition was heard on 10-2-1955 and on 15-2-1955.

The Association in the application for interim relief contended that the workers represented by them were on strike for more than three months and were under going untold hardship and as such interim award has to be passed regarding fixation of some task in cleaning paths and bushes and also directing the management to pay two months wages to all workmen as an advance to be adjusted in future. The management has contended that fixation of task is not a matter in issue in the main dispute and hence there could not be interim relief and since the stike was illegal and unjustifiable, the management should not be asked to encourage such a strike by payment of wages. The Union which was impleaded as a party subsequently does not object to the fixation of task but in their statement they have questioned the justifiability of the strike.

On 15-2-1955 when it was posted for completing the arguments, the management and the Association has filed a joint petition which reads as follows:—

"1. The Management agrees to pay as an advance Rs. 35 (Rs. Thirty five only) to each worker.

2. The amount mentioned above will be recovered by the Management in six equal monthly instalments, the first instalment to be recovered on 7th May 1955 and thereafter in each succeeding months.

3. The workmen agree to return to work atonce at any rate not later than the 21st February 1955.

4. The petition and objection are withdrawn without prejudice to either parties contentions in the main dispute.

It is prayed that an order may be passed in the above terms".

This petition which is a compromise petition in effect is signed by the representative of the Management as well as the High Range Estate Employees' Association and their Advocates and is conducive to industrial peace for the time. I accept this and pass the interim award in terms specified in the joint petition.

This will be in effect until the final award is passed. This comes into effect immediately. This will be published according to Section 17 of the Industrial Disputes Act.

AWARD

The Government in their Order L4-22821|54|DD. dated 19-11-1954 have referred certain disputes between the above parties to the Industrial Tribunal, Trivandrum and the same was registered as Industrial Dispute No. 58 of 1954. The Secretary of the Union filed their statement on 13-12-1954 and the Management has filed their reply statement on 18-12-1954. No witnesses were examined. The only issue to be decided in this case is:—

Are the workers entitled to any bonus for the year 1129 M. E. and if so, to what extent?

When the dispute was posted for evidence to 14-2-1955, the Secretary of the Union filed a petition and he was examined on the petition. He has deposed in terms of the contention contained in the petition. The Secretary has sworn that he was convinced that there was no profit in the year 1953-54 and hence he is not pressing the demand for bonus for the year in question. It is really a matter of gratification to see that

the Secretary when he was convinced of the unreasonableness of the demand, boldly deposes the fact and withdraws the demand.

Hence I decide the issue against the workmen and pass this award. This comes into effect from the date of publication according to Section 17 of the Act. .
